Mossberg International, Inc.™ Adds Gold Reserve™ Sporting O/U

North Haven, CT – Mossberg International adds another classic offering to its line of Gold Reserve Sporting over-and-under shotguns, a 20 gauge with 30-inch barrel. This beautifully styled, competition-ready break action is loaded with features and finishes, often found in more high-end double guns. Joining the 12 gauge and 410 bore offerings, this 20-gauge Gold Reserve O/U shotgun is designed to impress and perform in the field.

Gold Reserve O/U shotguns have hand-selected, Grade A black walnut stocks with satin finish; cut-checkering on the grip and forend; dual-locking lugs; scroll engraved polished silver receiver with gold inlays; and polished-blue barrel finish. Standard features include vent rib barrels (10mm wide); shell ejectors; front bead sight; and extended and checkered Sport Set of 5 choke tubes (Skeet, Improved Cylinder, Modified, Improved Modified and Full). And the bore and chamber are chrome lined for corrosion resistance.

Looking to impress whether you are on an upland hunt, 5-stand course, or calling in ducks? Look no further than the well-appointed line of Gold Reserve Sporting shotguns.
