FOR IMMEDIATE RELEASE
January 17, 2023

Mossberg International, Inc.™ Brings In New Gold Reserve O/U Shotgun

North Haven, CT – Refined and well-appointed, the Gold Reserve Series of over-and-under shotguns has a new member of the family: the **Gold Reserve Series- Black, 20 gauge** with 30-inch vent rib barrels. This competition-ready line of 12-gauge, 20-gauge and 410 bore break actions are loaded with performance features, often found in more expensive, high-end double guns.

Gold Reserve O/U shotguns have hand-selected, Grade A black walnut stocks; cut-checkering on the grip and forend; and polished-barrel finish. Standard features include vent rib barrels (10mm wide); shell ejectors; front bead sight; and extended and checkered Sport Set of 5 choke tubes (Skeet, Improved Cylinder, Modified, Improved Modified and Full). And like all Reserve Series shotguns, the bores and chambers are chrome lined and they have dual-locking lugs.

Gold Reserve Black 20 Gauge (75481) – Distinctive for its polished black receiver, polished blue barrels and handsome black walnut stock, the Black 20 gauge (3 inch) also feature decorative accents. These details include jewelery of the action, rich scrolling engraved on the safety/barrel selector and action release, and distinctive 24kt gold inlay on the underside of the receiver. Completing this attractive package are 30-inch vent rib barrels with bead sight and interchangeable Sport Set of chokes. MSRP: \$1,135

For more information on the complete line of Gold and Silver Reserve over-and-under shotguns, please visit www.mossberg.com.
