Mossberg International, Inc.™ Imports New Silver Reserve™ Synthetic O/U

North Haven, CT – Mossberg International is expanding their offerings of Silver Reserve over-and-under shotguns with the addition of a 20-gauge synthetic field gun, the Silver Reserve Eventide. Reliable and affordable, Silver Reserve break actions are feature-rich, well balanced, and ideal for bird hunting, clay shooting, and small game hunting.

The Eventide O/U has a black synthetic stock with cut-checkering on the grip and forend; 14-inch length-of-pull (LOP); complementing matte blue metal finish; and 26-inch vent rib barrel topped with a front fiber optic sight. Other standard features include shell extractors; Field Set of 5 flush choke tubes (Cylinder, Improved Cylinder, Modified, Improved Modified and Full); Mossberg® logo engraved on the receiver; and tang-mounted safety and barrel selector. And all Silver Reserve shotguns feature chrome-lined bores and chambers and dual-locking lugs.

Looking for a durable field gun that is easy to clean, dependable, and offers the ability to customize shot type and spread to match your quarry, look no further than the Silver Reserve Eventide. For more information on the complete line of Silver Reserve Field over-and-under shotguns, please visit www.mossberg.com.
